Recommendations

Accommodations:

Lodging in NYC can be a little pricey! Consequently, I recommend using certain sites like www.Airbnb.com, www.hotels.com, www.booking.com. Midtown, Central Park, Times Square, Harlem, and Soho are a few of the trendy upscale areas to stay. However, to decrease cost you might consider Lower Manhattan, Brooklyn, Staten Island, Queens or the Bronx, although with gentrification it might not make a huge difference. Inexpensive lodging, comparable to NYC hotels, can be found just across the river in Jersey City. A myriad of hotels to choose from. You are only minutes away from NYC. The PATH train, which runs 24 hours daily, will get you back and forth in a jiffy.
