Tour Reminders

★There will be moderate walking while on tour in Cartagena, Colombia.

★Etiquette:

Remember ladies, you will be visiting a country whose customs may differ from what you are used to in your home country.

Please be aware of the following while we are in Colombia:

★**Tipping:**

Tips are customary for performances and entertainment in Colombia so please make sure you set aside funds for this, especially if you want to take individual or group pictures with performers. It will reflect badly upon yourself and the group if you attempt to sneak in photos or take pictures without tips/donations. Remember this is their livelihood and they rely heavily on our tips/donations to support themselves and their families.

Tips are customary for guides, hotel staff (housekeeping/maids) and restaurant servers. Be prepared to leave a tip when receiving a service in Senegal.

While it's not mandatory, generally a tip is expected and always appreciated. Please avoid being overly generous, as this may appear that you are flaunting money, but do leave enough to show appreciation for the services you receive.

★ **Hotel Housekeeping/Maid Service**

Housekeeping/Maid Service: \$2-\$3 per night, and up to \$5 in high-end hotels. You can leave the tip on your pillow or in a place where it will be easily located. Tips are recommended to be left per night as the housekeeping staff will not be the same person for each night of your stay.

★ **Bus Tours:**

Bus Tours: (several hours or less), tip your guide 10% - 20% of the cost of the tour. For driver/tour guide for one week the suggested amount is \$4-\$5 per day per passenger. You can give the tip at the end of the week to the driver in an envelope. The preference is for the tip to be given individually rather than as a group. While tips are not mandatory, they are greatly appreciated for all the work that goes into their job catering to travelers.

★ **Bargaining:**

Except for goods in supermarkets, high-end shops, hotels and restaurants, nothing Senegal has a set price, so bargaining is expected. The seller may offer the item at 30% - 50% more than what they expect for it, so your counteroffer should be lower than what you are expecting to pay. You and the seller will go back and forth until an agreement is made. If you can't come to an agreement, don't get frustrated. Move on and find another vendor and you may even get the price you are looking for once you've walked away. Remember to keep it fun and light.

★ **Activities**

Activities unless stated are not optional. If you choose to opt out of a scheduled activity Globetrotting Sisters LLC will not be responsible for creating an alternate itinerary. Any excursions or activities that you choose to participate in outside of the designated tour itinerary are at your own discretion. Globetrotting Sisters, LLC will NOT be held liable for your safety and security or any costs you incur.
